This schedule is correct as of 25/11/21. Due to the COVID-19 government regulations these dates and locations are subject to change. Please visit www.coronavirus.vic.gov.au for more information.

Following recent announcements by the Victorian Government and changes to event restrictions, the Christmas tree light up event on Friday December 3 and the Christmas Carols on December 19 will be open to anyone who would like to attend and patrons will not need to be vaccinated. However, it is encouraged that patrons check-in to the event via the QR code and the Service Victoria app. In accordance with COVID-safe event guidelines, all performers and events staff will be fully vaccinated.

The same guidelines apply to the fireworks on New Year's Eve, movie and music events that appear in the program in January and February. Please check for updates based on current State Government health guidelines.
